

UNITED STATES DISTRICT COURT  
for the  
EASTERN DISTRICT OF NORTH CAROLINA

U.S.A. vs. Larry D Turnage

Docket No. 5:02-CR-227-1BO

**Petition for Action on Supervised Release**

COMES NOW Amir A. Hunter, U.S. Probation Officer of the court, presenting a petition for modification of the Judgment and Commitment Order of Larry D Turnage, who, upon an earlier plea of guilty to Possession of Firearm by Felon, was sentenced by the Honorable Terrence W. Boyle, U.S. District Judge, on December 2, 2003, to the custody of the Bureau of Prisons for a term of 188 months. It was further ordered that upon release from imprisonment the defendant be placed on supervised release for a period of 60 months.

Larry D Turnage was released from custody on September 30, 2016, at which time the term of supervised release commenced in the District of South Carolina.

**RESPECTFULLY PRESENTING PETITION FOR ACTION OF COURT FOR CAUSE AS FOLLOWS:**

On May 2, 2017, the probation office was asked by the District of South Carolina to request the Court suspend the defendant's drug treatment condition. Based on the defendant's compliance and numerous drug tests that have yielded negative results, it is their assessment that the suspension of the defendant's drug treatment condition is appropriate at this time.

**PRAYING THAT THE COURT WILL ORDER** that supervised release be modified as follows:

1. That the condition that states "The defendant shall participate as directed in a program approved by the probation office for treatment of narcotics addiction, drug dependency, or alcohol dependency, which will include urinalysis testing or other drug detection measures and may require residence or participation in a residential treatment facility" be suspended.

Except as herein modified, the judgment shall remain in full force and effect.

Reviewed and approved,

I declare under penalty of perjury that the foregoing  
is true and correct.
